**Disclosure Statement Regarding the Status of**

**BENNETT COLLEGE  
Greensboro, North Carolina  
Issued December 14, 2017, by SACSCOC**

The following publicly available information is provided by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) concerning the accreditation of Bennett College. Information presented below is in accord with SACSCOC's disclosure policy; staff of the Commission cannot comment further on questions specifically related to Bennett College. The institution has reviewed this statement prior to public posting.

Action by SACSCOC's Board of Trustees took place on December 3, 2017, and the institution's next review is December 2018.

**What is the accreditation status of Bennett College?** Bennett College is accredited by the Southern Association of Colleges and Schools Commission on Colleges; however, the institution was continued in accreditation for good cause and placed on Probation for 12 months following review of a Third Monitoring Report after submission of a Fifth-Year Follow-Up Report in December 2014. The Report included financial statements. Prior to the institution's next review by SACSCOC's Board of Trustees in December 2018, a Special Committee will conduct an on-site evaluation of its compliance with the *Principles of Accreditation*—the accreditation standards of the Commission. SACSCOC's accreditation includes all components of the institution—all programs, branch campuses, off-campus sites, and distance learning programs as reported to the Commission; thus, the Probation status applies to the entire institution.

**What does it mean to be continued in accreditation for good cause and placed on Probation?** When an institution has exhausted its two-year monitoring period for complying with SACSCOC's *Principles of Accreditation*, instead of removing the institution's accreditation, SACSCOC's Board of Trustees can extend accreditation for good cause if (1) the institution has demonstrated significant recent accomplishments in addressing non-compliance, **and** (2) the institution has provided evidence which makes it reasonable for the Board to assume it will remedy all deficiencies within a 12-month period, **and** (3) the institution has provided assurance to the Board that it is not aware of any other reasons, other than those identified by the Board, why the institution cannot be continued for good cause. An institution must be placed on Probation when it is continued in membership for good cause beyond the maximum two-year monitoring period. Probation is the most serious public sanction imposed by SACSCOC's Board of Trustees short of loss of accreditation. The maximum consecutive time that an institution may be on Probation is two years. In December 2018, Bennett College will have been on Probation for two years. For additional information about sanctions, refer to SACSCOC's policy entitled "Sanctions, Denial of Reaffirmation, and Removal from Membership" that can be accessed at <http://www.sacscoc.org/policies.asp>.

**Why was Bennett College continued in accreditation for good cause and placed on Probation?** Bennett College was continued in accreditation for good cause and placed on Probation because SACSCOC's Board of Trustees determined that the institution had failed to demonstrate compliance with Core Requirement 2.11.1 (Financial resources and stability) and Comprehensive Standard 3.10.1 (Financial stability) of the *Principles of Accreditation*. These standards expect an institution to provide evidence that it (1) has a sound financial base and resources, and (2) demonstrates financial stability. (To read full statements for the standards cited above, access the *Principles of Accreditation* at <http://www.sacscoc.org/principles.asp>.)

**What will happen in December 2018?** SACSCOC's Board of Trustees will consider the accreditation status of Bennett College following review of a Fourth Monitoring Report submitted by the institution addressing the standards cited above for non-compliance, and the report of a Special Committee that will visit the institution in fall 2018. The Board will have the following options: (1) remove the institution from Probation without an additional report; or (2) remove the institution from membership for failure to comply with the *Principles of Accreditation*. Commission staff will not speculate on what decision might be made by SACSCOC's Board of Trustees in December 2018.

For additional information regarding SACSCOC's accreditation process, access the *Principles of Accreditation* (<http://www.sacscoc.org/principles.asp>).
